Allison Hart Joins New Hampshire Boat Museum (NHBM) Board

Wolfeboro, NH -- July 6, 2021 -- The New Hampshire Boat Museum's (NHBM) Board of Trustees recently added Allison Hart, Executive VP, who also serves on the Board of Directors of The Energy Coalition, an environmental non-profit based in Irvine, CA.

Hart brings decades' worth of non-profit experience to NHBM's board of trustees. Prior to working with the Coalition, Hart was City Manager (and Assistant City Manager) for the City of Irvine.

"I have served on the Boards of numerous non-profit organizations, and I hope to bring this experience to add value to NHBM," she said.

Hart has a Ph.D. in public administration from USC and more than 30 years' experience in public sector and nonprofit sector management. Her interest in NHBM is rooted in more than professional or academic interests, as Hart and her husband Wilson recently relocated to Center Tuftonboro from California.

"My family has deep roots in the Lakes Region," she said. "We have been coming to Lake Wentworth since early childhood. Our family cottage has been in the family since 1876...We have four children and six grandchildren who love to visit the center of the universe."

In late May, NHBM opened its doors for the start of the 2021 season with the return of the Millie B on Lake Winnepesaukee and numerous public programs and events.

"We are excited for our season and to have Allison with us, as all of us look to a brighter future," said NHBM Executive Director Martha Cummings.

Founded in 1992 by antique and classic boating enthusiasts, NHBM is committed to inspire people of all ages with an understanding of, and appreciation for, the boating heritage of New Hampshire's fresh waterways.
